**Install the product**

Install the product according to the Playnetic Installation Manual. During the installation, make sure that the potential users can not be exposed to hazards / dangerous situations. Check the stability of the product.

**Number of users**

Playnetic recommends you to use the product with a maximum of one user at a time.

**Overview product**

The overview above shows where all important parts can be found.

**Check interactive elements**

Use the product and generate energy. If applicable, check that the interactive elements such as the music, lights, smell, electronic- and mechanical parts are working properly.

### Control the volume

1. Remove the bolts with the supplied hex key.
2. Remove the service hatch with the label.
3. Generate energy with the product.
4. Adjust the volume.
5. Close the service hatch.

### Play and test

1. Generate energy with the product.
2. Test if the pick up pad works correctly, by putting your telephone on it with music.
3. Test if the LED line runs correct.
4. Test if speakers work correctly.

\*Are the tests incorrect? Then you should contact your local dealer.

**Receive timelock**

1. Receive a USB device. Playnetic has set the correct start- and endtime for you.

**Install and manage a timelock**

1. Remove the bolts with the supplied hex key.
2. Remove the service hatch.
3. Important! The timelock must be installed at 12 o'clock local time. If the installation is being done too late or too early, the time lock will not work properly.
4. Put the USB stick into the computer.
5. Generate energy. Wait until the update is completed. Remove the USB stick after completion.
6. Make sure that you put the dust cover back over the USB port.
7. Close the service hatch.

**Update your timelock 2x a year**

For updating your timelock, use the USB device you received from Playnetic with the correct start- and endtime (same USB device for install option). Repeat step 1 to 7 in 'install a timelock' to complete the update.

**Maintenance**

The product must be maintained according to the Playnetic Maintenance Advice.
